**IAAO ONLINE COURSE 400- Assessment
Administration Instructor: Stephen White**

This course provides an overview of fundamental management concepts for management and supervisory personnel in an assessor's office and focuses on the need for management, and the responsibilities placed on the assessor and all supervisory personnel. The course introduces the four major management functions: planning, organizing, directing, and controlling with a separate chapter devoted to each function for more in-depth learning and discussion. For more information about this course, please review the Course Information Packet.
